

WEDDING OPEN EVENING

We would like to invite you to our Open Evening to see and experience Victoria Park at its finest.

Whether you are after a traditional and formal affair, a classic sit-down reception, or a slightly more casual but chic cocktail event, we have the perfect venue for you.

Our function rooms will be available for you to view at your leisure throughout the evening and we encourage you to leave details of any questions you may have so we can contact you with information. *Please note the Garden Marquee will **not** be available for viewing at this Open Evening.*

Sample a selection of our canapés as well as the different beverage packages on the night plus meet with our award winning photographers and preferred suppliers.

This is the perfect opportunity for you to experience exactly what Victoria Park will be like for your wedding and a fantastic occasion to talk directly to our Event Coordinators about all of your wedding desires.

Wedding Open Evening
